7 Days Wildebeest Migration & Hadzabe Tribe Safari

Duration: 7 Days | Price: $0.00

Overview

Embark on an extraordinary adventure with our 7 Days Wildebeest Migration & Hadzabe Tribe Safari, designed to immerse you in the heart of Africa. Begin your journey in Tarangire National Park, home to vast herds of elephants and majestic baobab trees.

The highlight of this safari is the awe-inspiring wildebeest migration in the Serengeti, where thousands of wildebeest, zebras, and gazelles move across the plains in search of fresh grazing. Witness the power and drama of nature as predators and prey coexist in this iconic ecosystem.

Next, explore the Ngorongoro Crater, a UNESCO World Heritage Site teeming with wildlife, including the Big Five. Then, venture off the beaten path to Lake Eyasi, where you'll spend time with the Hadzabe tribe, one of the last remaining hunter-gatherer communities, offering a unique and enriching cultural experience.

This safari is a transformative journey through the heart of Africa, where every moment is filled with wonder, wildlife, and discovery. Book your 7 Days Wildebeest Migration & Hadzabe Tribe Safari now and experience the magic of Tanzania like never before.

Itinerary

Day 1

Arusha - Tarangire National Park

After breakfast, drive to Tarangire National Park, and enjoy a full-day game drive with a picnic lunch.
The park consists of natural vegetation mainly of Acacia woodland and giant African Baobab trees, with huge swamp areas in the south. Both the river and the swamps act like a magnet for wild animals, during Tanzania's dry season. The Tarangire National Park is reputed to contain some of the largest elephant herds in Africa. This African National Park is also home to three rare species of animals - the Greater Kudu, the Fringed-eared Oryx, as well as a few Ashy Starlings.

Day 2

Tarangire – Serengeti National Park

After breakfast, we head towards the Serengeti National Park, via the beautiful high-lying farmland of Karatu and the Ngorongoro Conservation Area. Leaving the highlands behind, we descend into the heart of wild Africa - the Serengeti National Park - with its endless plains, rolling into the distance as far as the eye can see.

We head to the central park area, known as the Seronera area, one of the richest

wildlife habitats in the park, featuring the Seronera River, which provides a valuable water source to this area and therefore attracts wildlife well representative of most of the Serengeti's species.

Day 3

Follow the Great Migration in the North Serengeti

Waking up in the Serengeti is something really special. Sights, sounds and smells of Africa are all around us, and ahead is a full day of adventure in the world's most famous national park. After breakfast, we start today with the morning section of our game drive in central Serengeti National Park, marveling at the stunning scenery, ever-changing light and always entertaining wildlife, all explained to you by your expert driver-guide.

At around 10:00 am you will be heading to north Serengeti for an adventure of witnessing the wildebeest crossing the Mara River. Once you arrive at the river you should know that seeing the wildebeest Migration is one thing and seeing the river crossing is something else, your guide will try his level best to make sure that you have a chance to see both of these breathtaking adventures.

Day 6

Ngorongoro Crater

After breakfast, you descend into the crater, and enjoy a game drive in the crater. The Ngorongoro Crater is one of the most densely crowded African wildlife areas in the world and is home to an estimated 30,000 animals including some of Tanzania's last remaining black rhino. Supported by a year-round water supply and fodder, the crater supports a vast variety of animals, which include herds of wildebeest, zebra, buffalo, eland, warthog, hippo, and giant African elephants.

Another big draw card to this picturesque national park is its huge population of predators, which include lions, hyenas, jackals, cheetahs, and the ever-elusive leopard. Lunch will be served on the crater floor after lunch continues with another game drive while slowly driving out, then drive to Lake Eyasi for a cultural experience with the Hadzabe tribe.
