Safari Blue Zanzibar

Duration: 1 Day | Price: $0.00

Overview

One of the top sea excursions on the island of Zanzibar is the Zanzibar Safari Blue Tour. You can go sailing on a traditional dhow, as well as snorkeling, swimming, and relaxing on a white-sand beach.

The Zanzibar Safari Blue Tour is one of the best sea excursions on the island of Zanzibar. Not only can you go sailing aboard a traditional dhow, but you can also go snorkeling, swim, and relax on a white-sand beach. In addition, there is a wide variety of seafood available for you to sample. The dhow departs from Fumba Beach at 08:00 and returns at about 16:00. You will explore the mangrove lagoon hidden underneath Kwale Island with your Safari Blue Tour guide. At high tide, swimming into the protected mangrove forest is a wonderful

experience. The mangrove lagoon is well-known for being a natural swimming pool.

Pick Up at the Hotel

The 200-year baobab tree is another attraction you can just come and climb, and get a great view from the top. If you are lucky you can find massive coconut crabs living inside its hollow trunk. Menai Bay Conservation Society has several naturally occurring sandbanks with safe swimming and from where you can enjoy great snorkeling, relax under the shade and enjoy fresh coconuts and local snacks in paradise while you are surrounded by turquoise waters. There is a 50% chance of seeing the dolphins around the area.
