Itinerary

Day 1

Nairobi - Masai Mara

After breakfast, we depart for Masai Mara, making our first stop at the Great Rift Valley View Point for photos before we proceed..
Ascending through the Eastern wall of the Great Rift Valley floor, we reach arguably Kenya's most celebrated natural attraction-
The Masai Mara game reserve, a 1,500 sq. km slab of open Savannah dotted with acacia trees-the Kenyan section of the wildly beautiful Serengeti plains, teems with wildlife. Being in the Mara has been described by some authorities as '' being in the New York of the natural world'' You will spend the next 02 nights here to explore. The Mara offers wildlife in such variety and abundance that it is difficult to believe: over 450 species of animals have been recorded here. You will easily see lions, rhinos, hippos, crocodiles, giraffes, wildebeests, zebras, buffalo, warthogs, hyenas, jackals, wild dogs, buffalo, leopards, many kinds of antelopes, and elephants.

It is in the Mara that perhaps the most spectacular event of the natural world takes place. This is the annual migration of millions of wildebeest and zebra from the Serengeti (Tanzania) in search of water and pasture. Following on their heels are the predators of the savanna- lion, cheetah, wild dog, jackal, hyena, and vultures.

Lunch will be followed by an evening game drive to dusk. Dinner and overnight at Enkorok Mara Camp| Ol Moran Camp | Mara Chui Camp (Mid Range Camps) |or at a Budget Camp- Meal Plan (Breakfast, Lunch & Dinner)

The highest of all the Rift Valley lakes, Lk. Naivasha is a beautiful shallow freshwater lake fringed by thick papyrus reeds. The waters of the lake draw a great array of bird life to its shoreline. Buffalo wallow in the swamps, whilst the large hippo population lazes their days in the shallows. Giraffes wander among the acacia, whilst the Colobus monkeys swing from the green canopies above.
Lunch will be served at the lodge. Balance of the afternoon at leisure. Later on, we will proceed on a Sundowner boat ride in the lake, to view pools of hippos and an array of birdlife that inhabits the lake.

Amboseli National Park provides the classic Hollywood image of Africa. Set in rolling savannah scenery it is dwarfed by the presence of the pink-tinged, snow-capped peak of Mount Kilimanjaro which, at 5,896 meters, is the highest free-standing mountain in the world and topped by one-fifth of all the ice in Africa. Against this magnificent backdrop roam vast herds of elephants accompanied by a kaleidoscope of other fabulous beasts -lion, buffalo, cheetah, giraffe, baboon, gazelle hippo, and wildebeest to name but a few. There are also over 400 species of birds, all manner of reptilian, flora, and fauna, and some of the most soul-searing views in Africa.

After breakfast at the hotel, drive to Amboseli National Park arriving in time for lunch at the camp…Afternoon at leisure or soak in a fabulously constructed swimming pool overlooking Mount Kilimanjaro before an introductory game drive in the park starting from 1630hrs in with a perfect view of Africa's highest mountain, Kilimanjaro in the backdrop!
