## Serengeti National Park

This morning we will leave the campsite/lodge with our lunch boxes ready for a full day of game drive in this ancient Serengeti ecosystem, wildebeests, zebras, gazelles, and giraffes are often seen grazing in herds. This is one of the best places in the world to spot lions dozing in the shade, leaping after a marked prey, or gnawing off a share of their hunt, continue with the game until the evening when you will drive to the campsite or lodge for a hot shower and delicious dinner.

**Accommodation:** *Kubu Kubu Tented Lodge - Serengeti*

## Serengeti - Ngorongoro Crater

Today is our last day in the Serengeti and so we will wake up and do an early morning game drive until 10:00 am then we come to the campsite or lodge for brunch (breakfast & Lunch) all together then we drive back to the Ngorongoro Conservation area.

We will stop over at Olduvai Gorge, (optional) boasting a history dating back to the dawn of time. It was here, that the anthropologists Drs. Lois and Mary Leakey revealed the skulls of the 'Nutcracker Man' and 'Handy Man', both very significant links in the chain of human being evolution, arrive there at around 04:00 pm – 5 pm to enjoy the views of the crater and amazing landscapes.

**Accommodation:** *Ngorongoro Serena Safari Lodge*

## Ngorongoro Crater

After breakfast, it is time to descend into the caldera floor 610m, for a full-day game drive. The Ngorongoro Crater is one of the most densely crowded African wildlife areas in the world and is home to an estimated 30,000 animals including some of Tanzania's last remaining black rhino. Supported by a year-round water supply and fodder, the Ngorongoro Conservation Area supports a vast variety of animals, which include herds of wildebeest, zebra, buffalo, eland, warthog, hippo, and giant African elephants.

Another big draw card to this picturesque national park is its huge population of predators, which include lions, hyenas, jackals, cheetahs, and the ever-elusive leopard. We will enjoy a picnic lunch on the crater floor, and continue with a game viewing until late afternoon when we will ascend the crater and drive to Tarangire National Park

**Accommodation:** *Tarangire Safari Lodge*

## Tarangire National Park

After breakfast, we will go for a full day of game viewing in Tarangire National Park. The park runs along the line of the Tarangire River and is mainly made up of low-lying hills on the Great Rift Valley floor. Its natural vegetation mainly consists of Acacia woodland and giant African Baobab trees, with huge swamp areas in the south.

Both the river and the swamps act like a magnet for wild animals, during Tanzania's dry season. The Tarangire National Park is reputed to contain some of the largest elephant herds in Africa. Ngorongoro is home to three rare species of animals Fringed-eared Oryx, Greater Kudu, as well as a few Ashy Starlings. After a picnic lunch continue with the game until late afternoon, where you will be taken to your campsite/lodge for overnight.
