Day 8

Moshi – Kikuletwa Hot Spring

We'll pick you up from your Moshi hotel early morning for the hour-long drive to the Chemka Hot Springs. The road is very bumpy and windy, so hang on! During the drive, don't forget to enjoy the wonderful scenery and authentic Tanzanian life as it unfolds along the road.

When we arrive, you're free to be you. Linger at the edge of the springs, taking in the blue, blue waters and the lush green of the surrounding forest. Take a leisurely swim (don't forget that the waters are very warm, so you won't feel like an Olympic sprint) or float in a world that's all your own, listening to the water lapping and the birds overhead. If you're feeling adventurous, why not play on the rope swing? Playing isn't just for kids!

The pond can be very deep, in some places up to 10 meters, but the water is so clear that you can see right to the bottom. Eat your lunch in the shade of the trees or, if you're a sun bunny, find a hot spot all your own. You've plenty of time to spot the wildlife that also enjoys the Chemka Hot Springs.
