

3 Days Tanzania Budget Safari

Brief Description

Small Group Safari

3 Days Budget Camping Safari, join our small group safari to visit Tarangire National Park, Ngorongoro Crater and Lake Manyara National Park. The game drive in the Ngorongoro Crater will offer you a chance to see varieties of wildlife and stunning landscapes. If you are lucky enough there is a chance that you may see the BIG 5 animals ie Lion, Leopard, Elephant, Rhino, and Buffalo. You will be staying in public campsites outside the parks.

Day 1 Arusha - Tarangire National Park

In the morning you will be picked up from your hotel and you will travel to the Tarangire National Park. This park with its huge baobab trees, the perennial Tarangire River, and seasonal swamps is home to the largest elephant herds in northern Tanzania. Animals gather at the river and you should be able to see elephants, giraffes, bushbucks, hartebeests, dik-diks, waterbucks, warthogs, and reedbucks all year round. Furthermore, the park is also home to buffaloes, zebras, and wildebeests which are always closely followed by a range of predators such as lions. Leopards are seen every once in a while but cheetahs are rarely spotted. From the open roof of the vehicle, you will be able to absorb the landscape and watch the animals. After an extensive game drive, you will leave the park in the late afternoon and drive to the Maramboi Tented Camp, where you will spend the night.

Lunch; Dinner

Day 2 Tarangire Area - Ngorongoro Crater -Karatu

After an early start, you will make your way to the cooler regions of the Ngorongoro highlands. The Ngorongoro Crater is almost 600 m deep, approximately 20 km wide and the massive caldera is home to an amazing variety of animals. On your game drive, you have the possibility of seeing all different kinds of mammals ranging from the Big Five, lion, elephant, buffalo, rhino, and leopard to Grant's and Thomson's gazelles and mountain reedbucks. You might also see spotted hyenas and some of the more than 500 bird species of the area. After a picnic lunch in the crater and some more game viewing, you will leave the crater in the afternoon and travel to Karatu, where you will overnight at the Ngorongoro Farm House.

Breakfast; Lunch; Dinner

Day 3 Karatu - Lake Manyara National Park Arusha

After breakfast, you will leave the highlands and continue to Lake Manyara National Park, one of the smallest but most diverse parks in Tanzania. The shallow and alkaline Lake Manyara covers a large area of the park and it is the seasonal home to thousands of flamingos an awesome (pink) sight. However, more than 500 other bird species are also found here as well as some wonderful mammals. Troops of monkeys live in the forests, giraffes, buffaloes, zebras, and wildebeests on the grassy plains and elephants and lions in the acacia woodlands. After an intensive game drive and a picnic lunch, you will leave the park to arrive in Arusha by the late afternoon.
