

11 Days Luxury Lodge Safari In Tanzania

Brief Description

Semi-Luxury Lodge Safaris

11 Days the African Safari Program is a luxury Tanzania Lodge Safari created to offer you the best experience in Africa. The tour has a mixer of beautiful destinations for you to explore, you will visit Tarangire National Park for 2 days, Tarangire is well known for its huge number of African elephants and beautiful bird and amazing landscape topped with baobab trees. This safari will also take you to Lake Manyara, Serengeti, Ngorongoro Crater and visiting the Hadzabe tribe in Lake Eyasi for a cultural experience.

Day 1: Arrival via Kilimanjaro International Airport

Arrive anytime to Kilimanjaro Airport, your safari guide will be there waiting for you, after a short welcome brief, you will be taken to your overnight hotel whether in Moshi/Arusha.

Day 2: Moshi/Arusha – Arusha National Park

After breakfast we leave with our parked lunch boxes drive to Arusha national park for a half day walking safari and half day game drive, you will be accompanied by an armed ranger throughout the walk, coming too close to buffalo, zebra, giraffe, and different species of antelopes, this is really unforgettable African safari experience. After a walking safari, you will continue with a half day game drive going around 7 lakes for a complete safari in this fresh, beautiful and evergreen Tanzania's national park.

Day 3: Arusha – Tarangire National Park

After breakfast it's definitely another day of the next adventure at a different destination, you will engage yourself into a 2-3 hour drive to Tarangire National Park, for a full day game drive, enjoy picnic lunch on your way somewhere under the acacia tree while admiring the African indigenous lifestyle watching over the local Masai people wandering around with their cattle, after lunch enjoy the rest of the day exploring the park different wildlife locations.

Day 4: Tarangire National Park

In order to get the most out of Tarangire National Park we will spend another day discovering more wonders in the park, this time you will be taken another area call (Silalei plain) for more of great adventures with different landscapes, lunch will be served in the bush, after lunch continue with a game drive until late evening where you will be taken to the campsite/lodge for dinner and overnight.

Day 5: Tarangire - Lake Manyara National Park

Early morning game drive returns for brunch and then drive to the lush lake Manyara, famous for its green sceneries and the most spectacular tree-climbing lions. If you are in the list of the lucky traveler you might get this unique experience of watching lions resting and wagging their tails right after they find out about your presence. Other animals to be seen are zebra, buffalo, wildebeest, and different bird species.

Day 6: Manyara - Serengeti National Park

After breakfast we will leave lake Manyara heading to Serengeti national park passing through Ngorongoro conservation area, you will do an en-route game drive to your Serengeti campsite or lodge. This date act as transit arriving at your lodge in the evening, eat early dinner and make sure you get a good rest, preparing yourself to experience the genuine African safari for the following days.

Day 7: Serengeti National Park

In order to maximize the game drive, you will go out with your packed lunch, enjoy the full day of game drive in the Serengeti plains, where each moment brings exciting experience and a new landscape. You will do a game drive until even where you go back to the campsite/lodge for overnight.

Day 8: Serengeti National Park

In order to explore more about Serengeti, we will have another full day of game drive in the park. Your professional safari guide will take you to the best spots where wild animals are abundant, go back to campsite/lodge for hot lunch and then come back later for an evening game drive.

Day 9: Serengeti – Ngorongoro Conservation Area

You will do an early morning game drive, then you will come back for brunch and get yourself ready for another game drive while driving back to Ngorongoro conservation area, you will overnight at the crater rim enjoy beautiful views of the crater while sharing stories about the past days' safari experience.

Day 10: Ngorongoro Crater â€™ Lake Eyasi

Today is a day for a paradise on earth, where you will descend into the crater floor which is approximately 610 m deep and 260 square km, you will spend a half the day exploring the crater if you are lucky you might even get a chance to see all the big 5. Lunch will be served in crater floor after lunch continues with another game drive while slowly driving out, then you will drive to Lake Eyasi for a cultural experience with the Hadzabe tribe.

Day 11: Hunting with the Hadzabe

You will wake up very early morning, meet with your local guide who will take you to one of the hadzabe family for you to join them for their daily hunting activities, the hadzabe tribe are one of the few remains of the hunter-gatherer tribes in Africa, who live their lives relying on what the nature can offer them which includes collecting fruits, honey, roots and hunting the wild animals.

After the hunt, you will also visit another tribe call Datoga, experience their iron making and learn about their culture and lifestyle. After these activities, you will drive back to the campsite/lodge for a delicious meal before you get into your safari vehicle ready to drive back to Arusha/Moshi
